Party Time

Chena Hot Springs Resort is a great place to hold a company retreat, wedding or family reunion.

It is only sixty miles away from Fairbanks on a scenic highway, making it close enough to drive to, and yet far enough away to enjoy the ambiance of Alaska's wilderness. Moose abound at this quintessential Alaskan resort but you'll also see several varieties of birds, hares, beaver, lynx and occasionally bear. The comforts of home are built in without all the noise and distraction of city life.

Allow Chena Hot Springs Resort to be part of your special moment and we'll help you create unique memories that all who participate will cherish. Whether it is the perfect wedding cake or a retreat where you want to make sure you have success, we can help.
